

The Black Ministerial Alliance of Greater Boston, Inc.

Host a Party!!

Planning an event can be a fulfilling project for anybody interested in giving back to the community and raising money for a good cause. **The Black Ministerial Alliance (BMA) welcomes you or your church to host an event to raise support for our agency or for a specific BMA program.**

This can be coordinated with any occasion including your next birthday, wedding or baby shower event, memorial or tribute service. In lieu of gifts, a host would ask that a donation be made to our organization. The BMA would provide you with materials about our organization or specific program to share with your guests during your celebration.

One could also host a unique event to bring people together to raise funds.

This event could be of any nature including: a ribs cook-off contestant or fish fry event, a gospel night or talent show, a game day/sporting event or competition, an art show, or Sunday brunch, pancake breakfast, or dessert night. The BMA will be willing to make a brief presentation on the work we do at your community event or house party. This could be both through live and video formats. We could also assist with the production of invitations, attendee management, and offer any support necessary to ensure your event is a success!

The opportunities are endless and we welcome you to get involved!

For more information on how to begin planning your fundraising event for the BMA, please contact Amy Malkemes at amalkemes@bmaboston.org or 617-445-2737 ext. 128.
